

## ZIMA

VENKU PADÁ  A JE VELKÁ ZIMA.

MUSÍM NOSIT  A RUKAVICE.

PAK JE MI KRÁSNĚ TEPLA A JÁ MŮŽU JÍT

VEN. UVÁLÍM TŘI SNĚHOVÉ  A

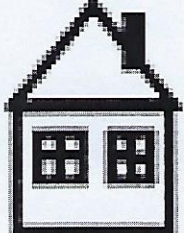

POSTAVÍM  DO RUKY MU DÁM

A NA HLAVU  STARÝ

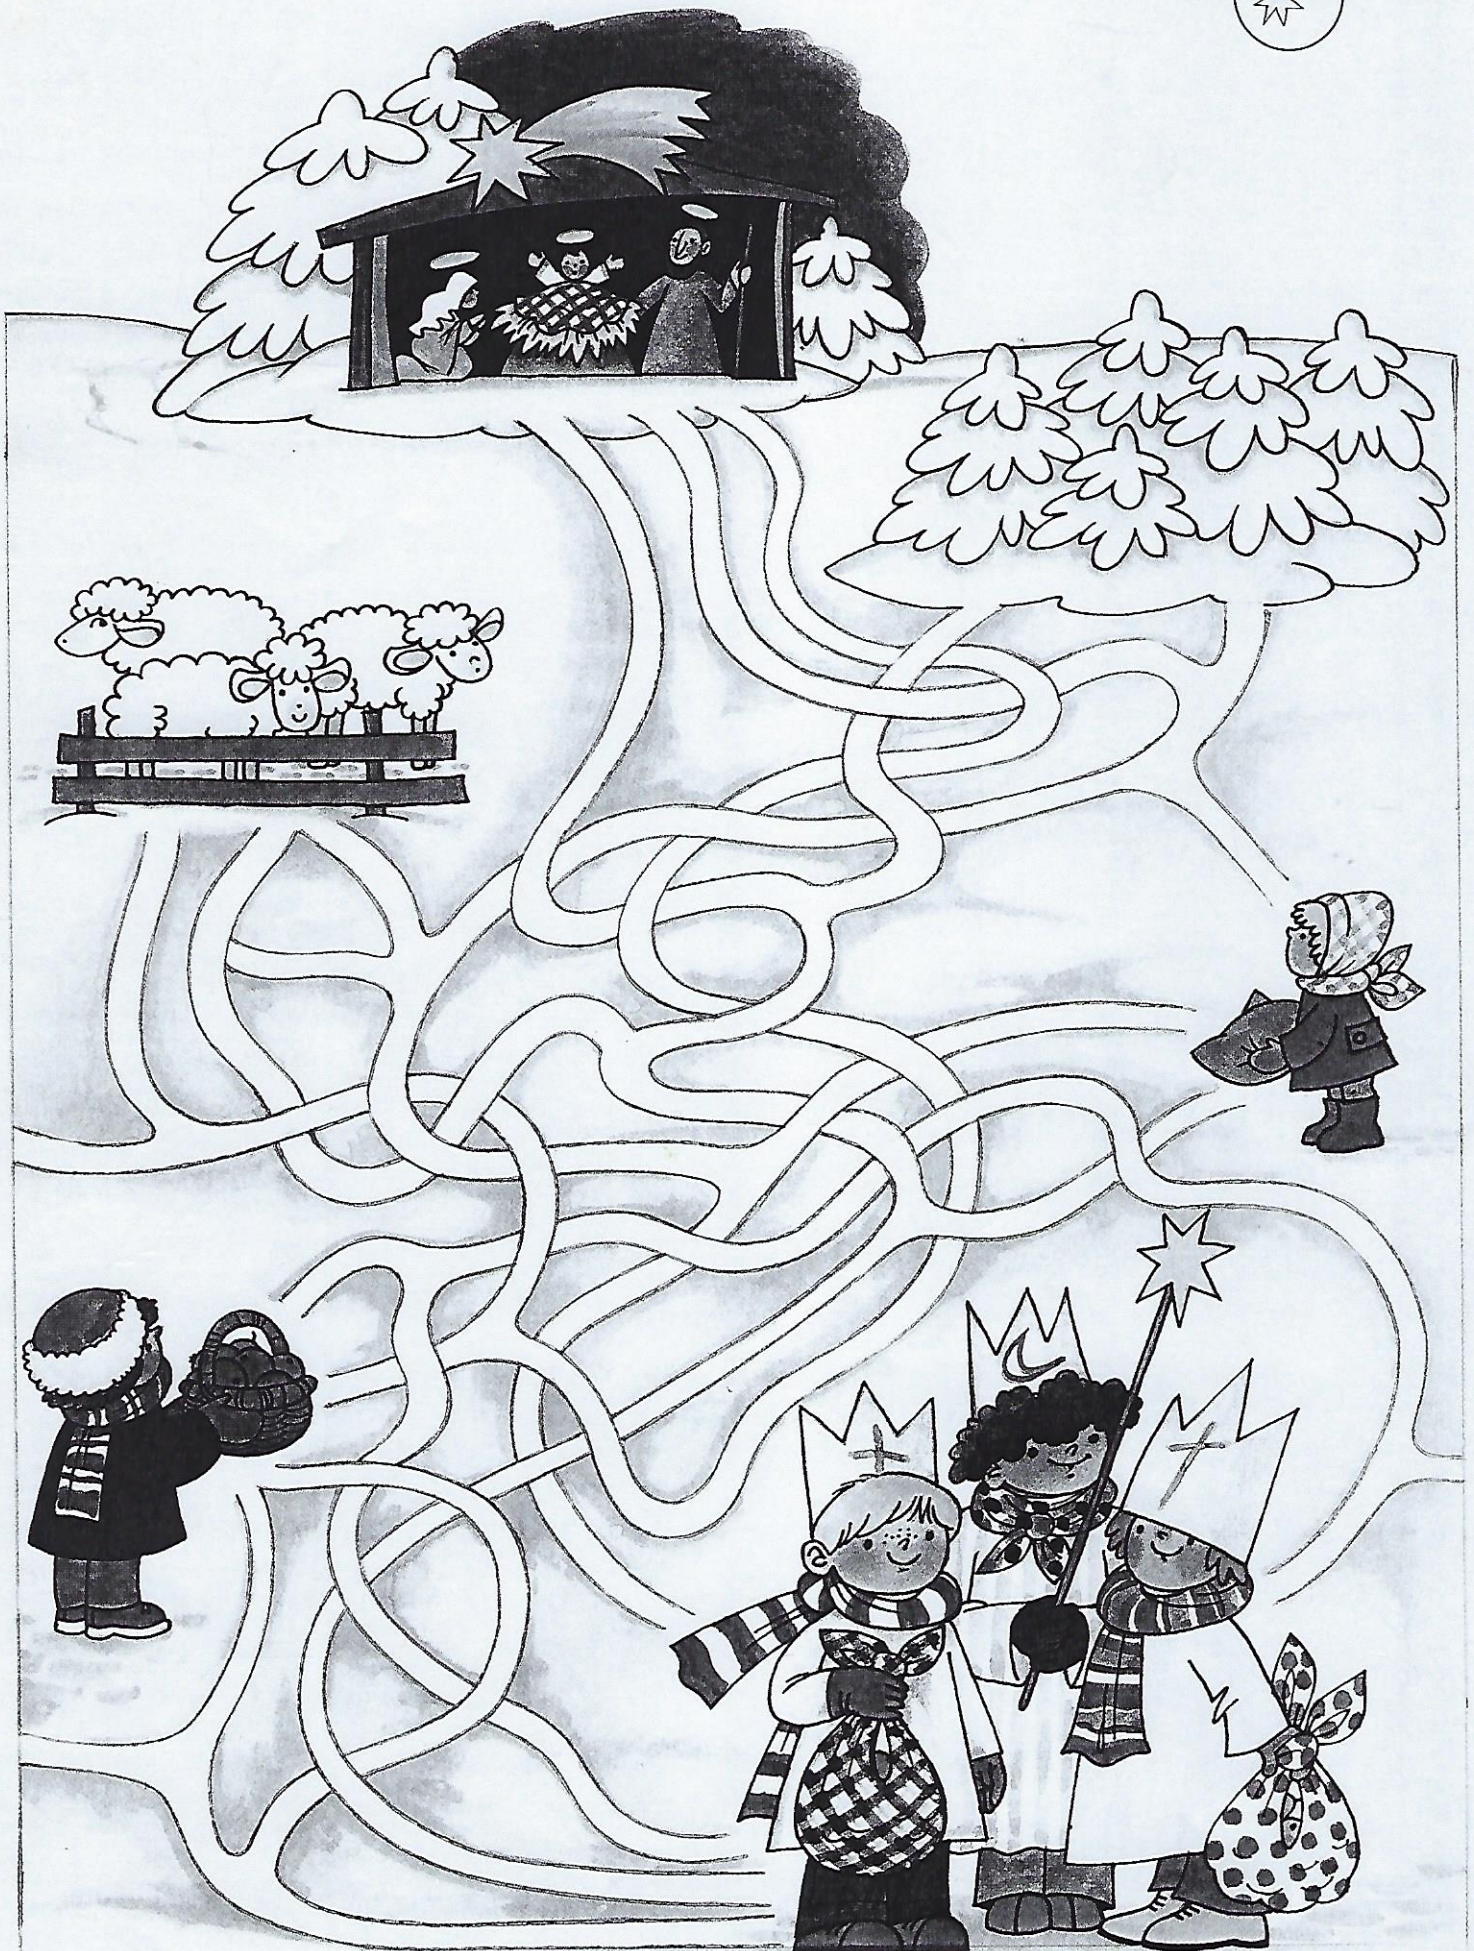

MÍSTO  BUDE MÍT VELKOU

KDYŽ MU BUDE ZIMA, PŮJČÍM MU 

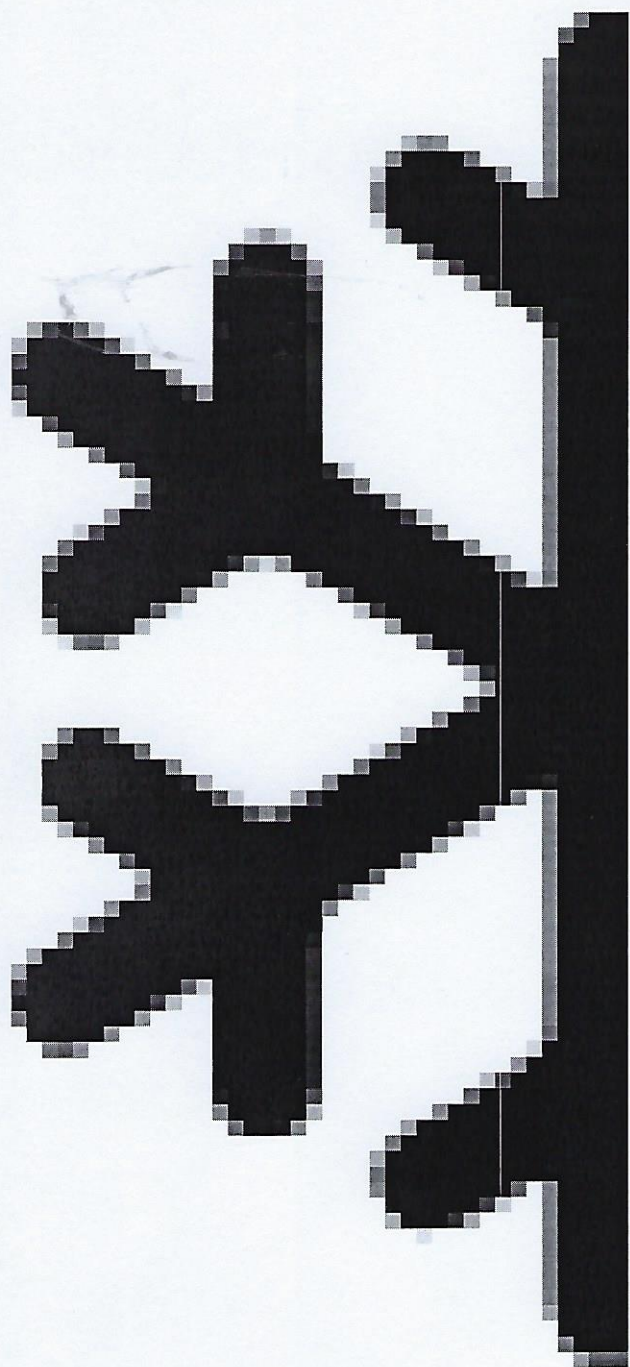

MĚ UŽ JE TAKÉ ZIMA A MAMINKA MĚ VOLÁ

 UVAŘILA MI HORKÝ  S MEDEM.

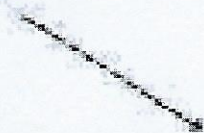

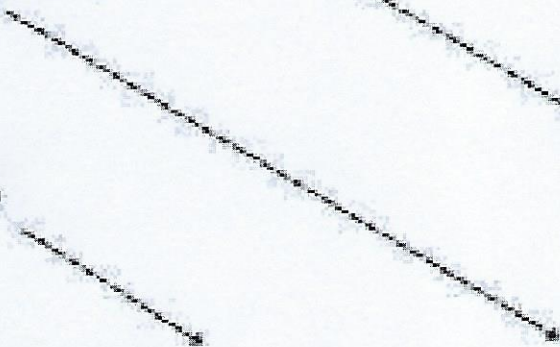

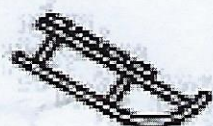

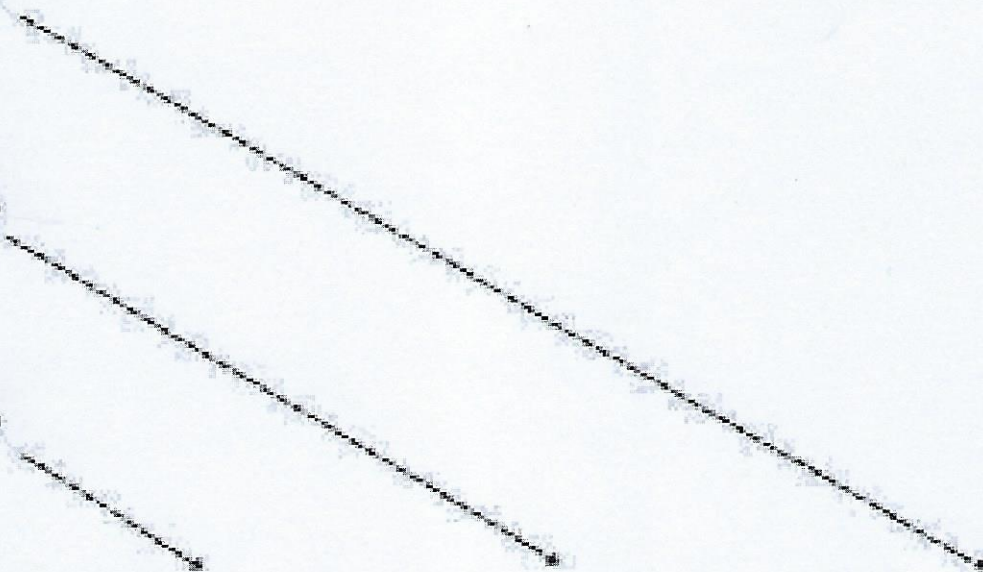

● Pomoz třem králům najít cestu k Ježíškovi.

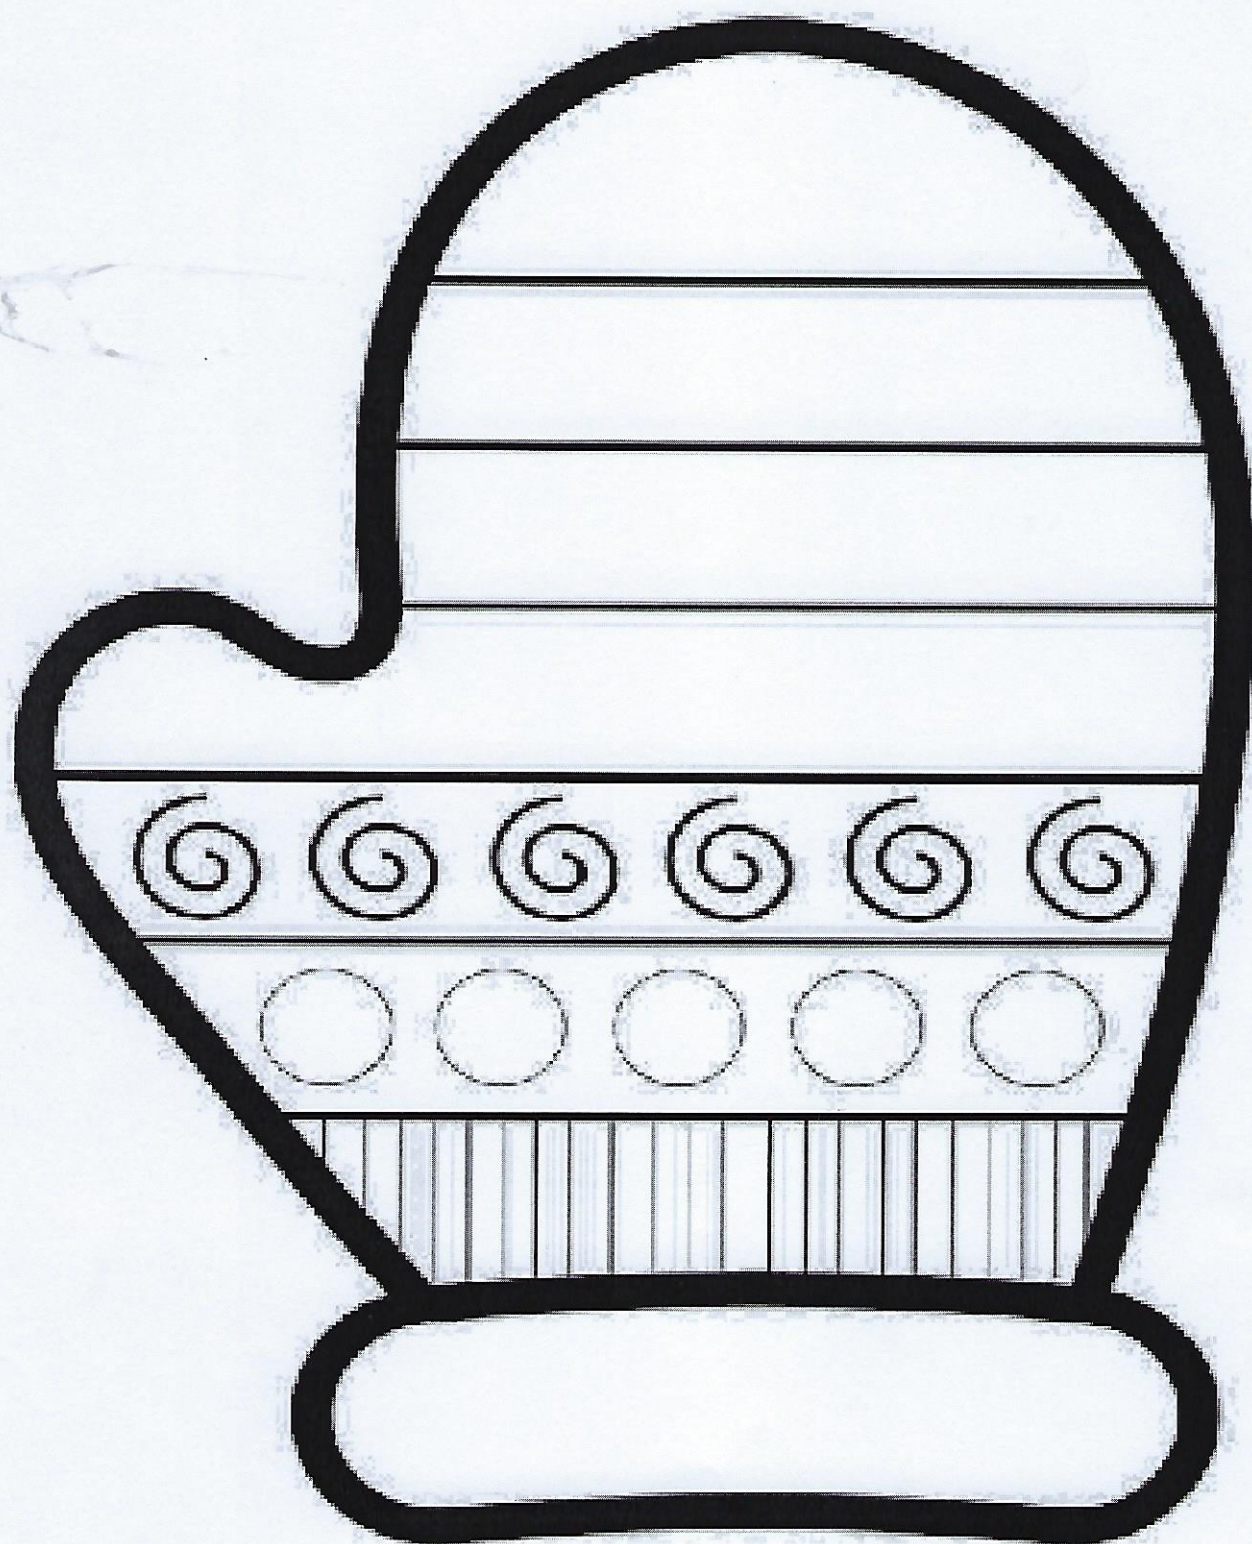

Dokresli sněhovou vločku

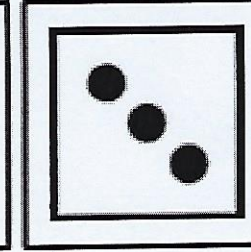

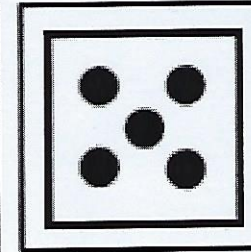

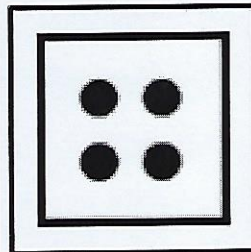

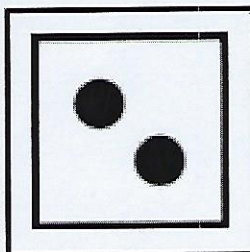

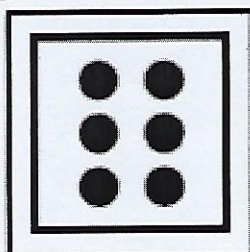

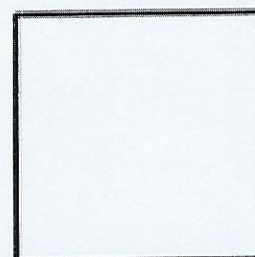

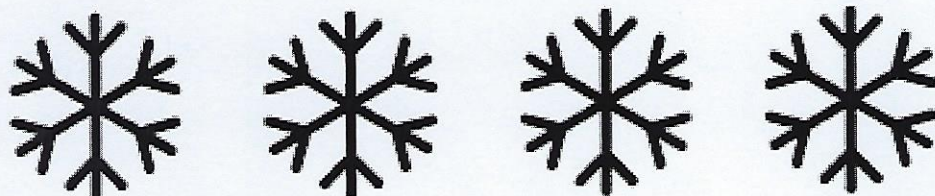

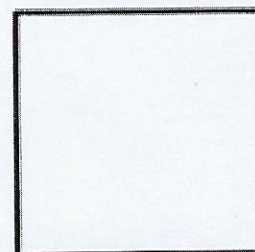

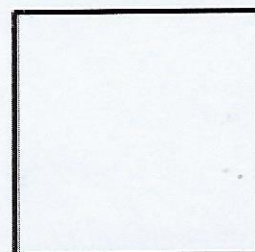

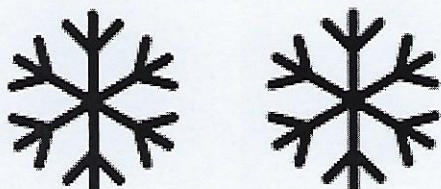

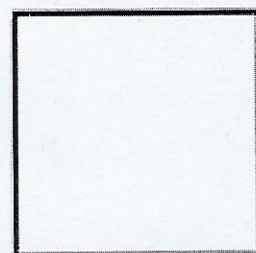

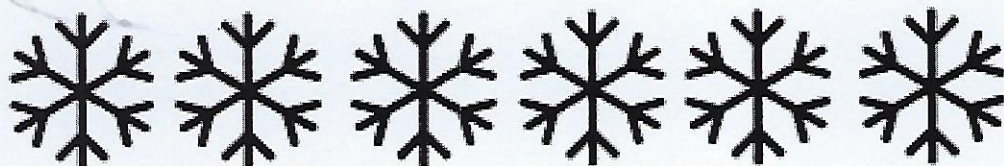

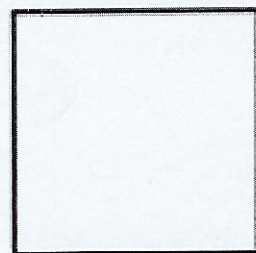

Dokresli, jak sánky sjedou z kopce dolů.

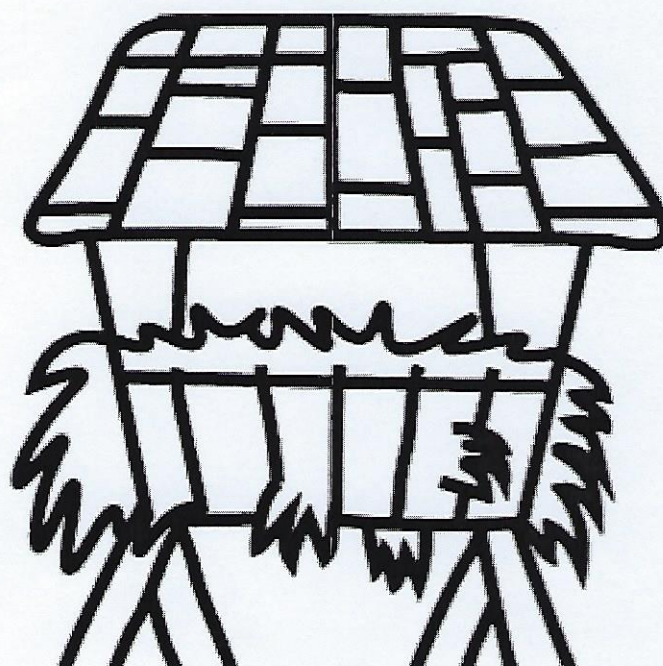

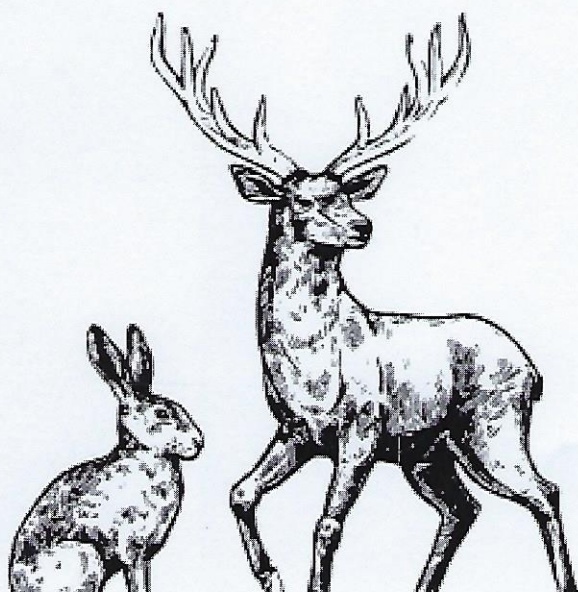

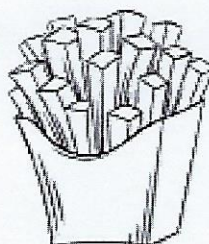

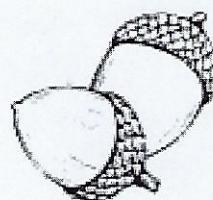

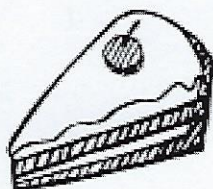

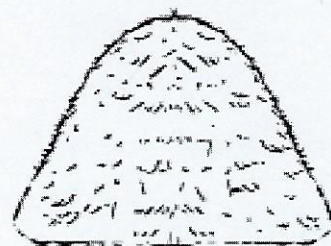

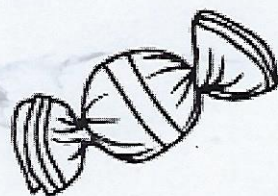

Dokresli vzor rukavici tak, aby se ti vždy střídal řádek proužků, řádek koleček a řádek spirál v tomto pořadí.

Spočítej vločky. Vyber správný počet z nabídky, čtvereček vystříhni a přilep ho k vločkám se stejným počtem, jako ukazují tečky.

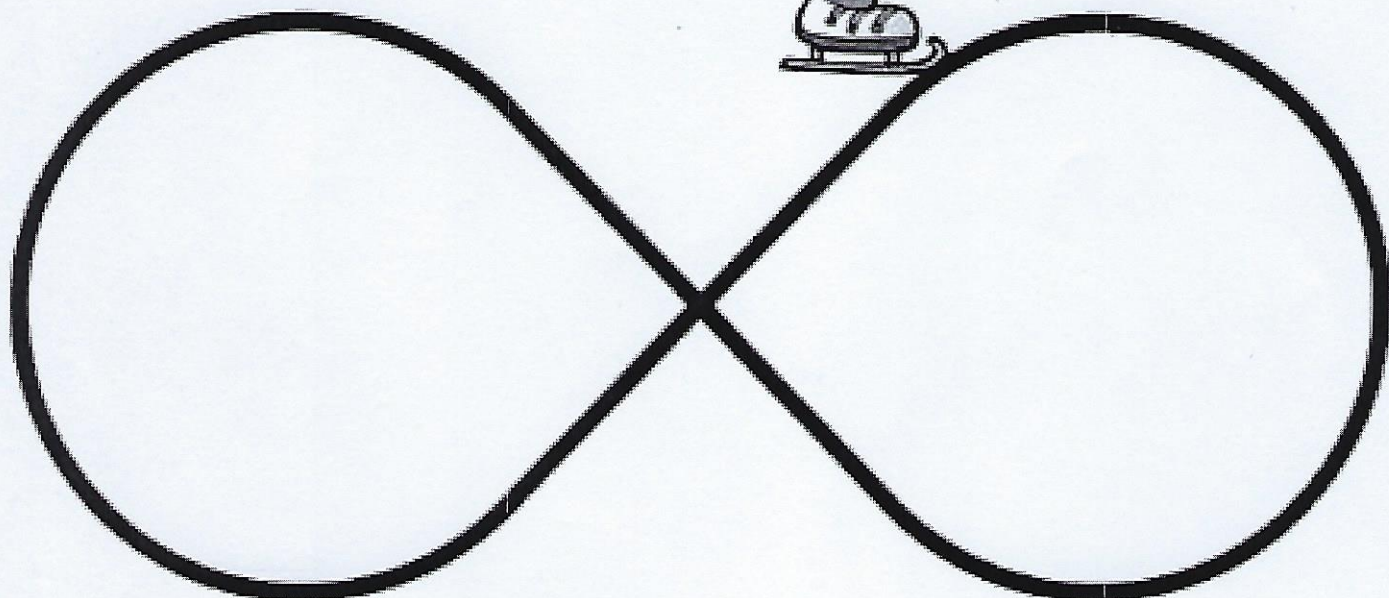

Zakroužkuj věci, které jí lesní zvířátka a můžeme je jim dát do krmelce.

Otáhuj několikrát, jak chlapec  
bruslí a nauč se básničku.

Kam mě brusle  
zavéde,  
na ležatou osmičku?  
Zamatám si z toho  
zmrzlou malou klavičku.

Vytleskej obrázky a domaluj tolik koleček, kolikrát jsi tleskl.
