

Velké motýli vybarvi červenou a modrou pastelkou.  
Malé motýli vybarvi žlutou a zelenou pastelkou.

Dokresli krtekovi hromádky

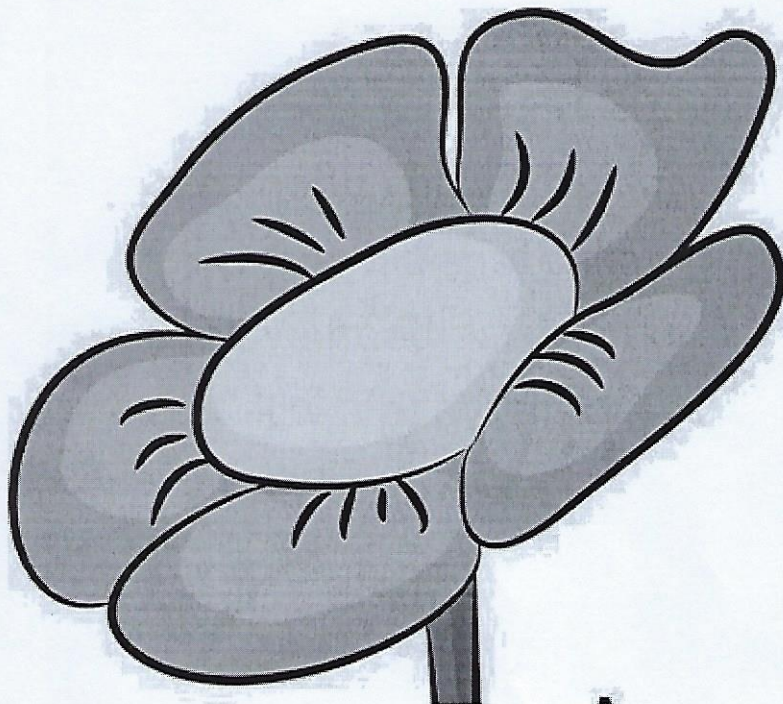

Nauč se text básně

Jaro

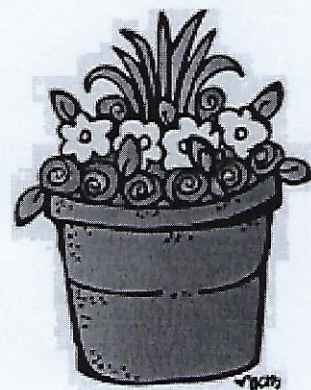

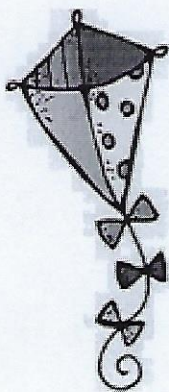

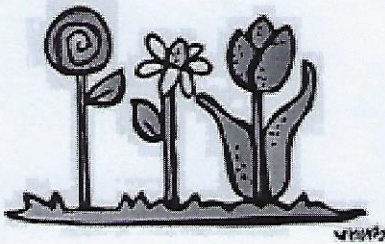

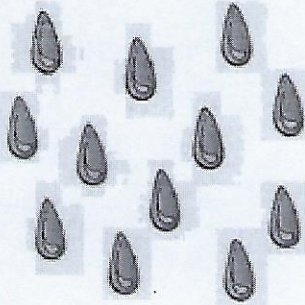

Po zimě zas přišlo jaro,  
sluníčko se probudilo.  
Budí květy, zvířata,  
přiletěla ptáčata.

Ze sněhu ven vykoukla,  
krásná bílá sněženka.  
Svolává hned další kvítky,  
fialky a pampelišky.

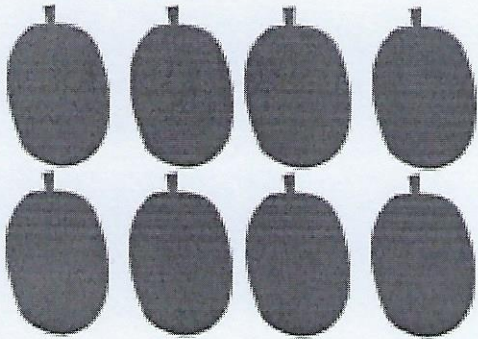

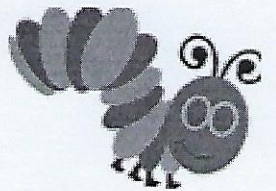

Pojmenuj obrázky a následně urči první slabiku

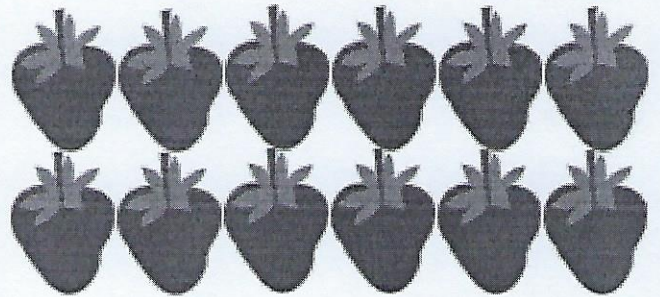

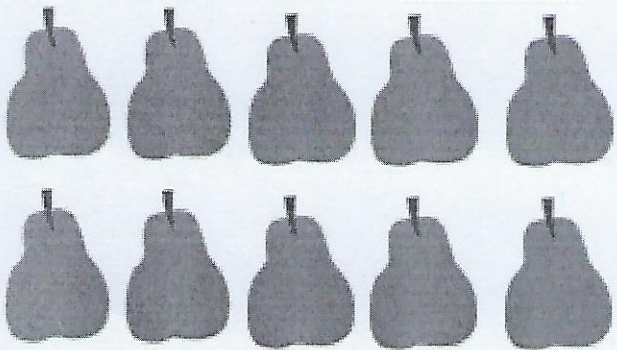

Pomoz hladové housence zjistit, kolik jí zbyde jídla.

$$8 - 2 = \square$$

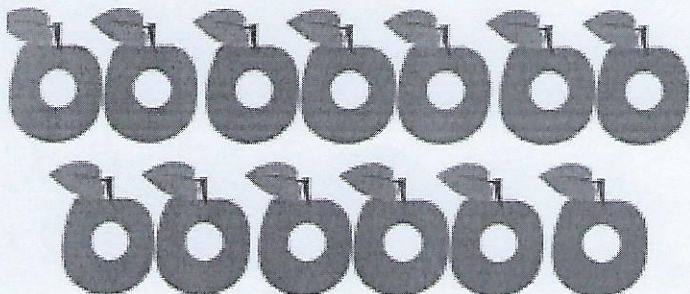

$$12 - 7 = \square$$

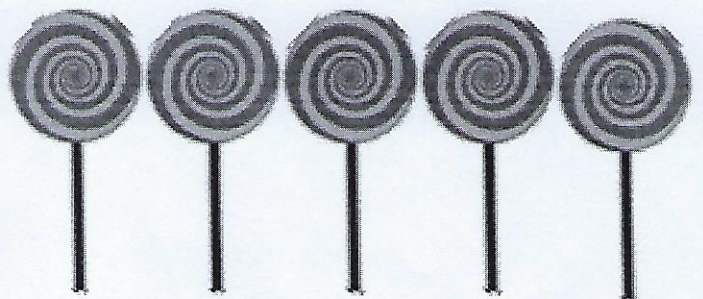

$$10 - 6 = \square$$

$$3 - 3 = \square$$

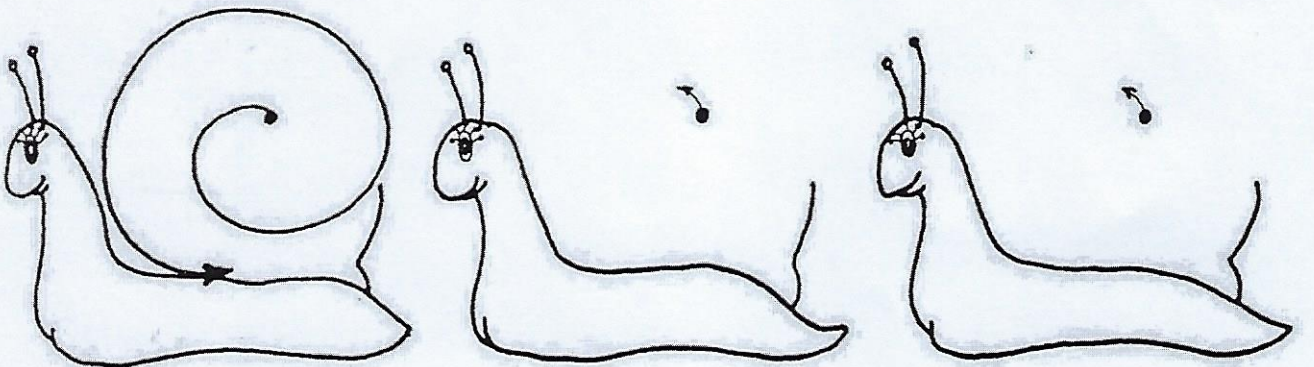

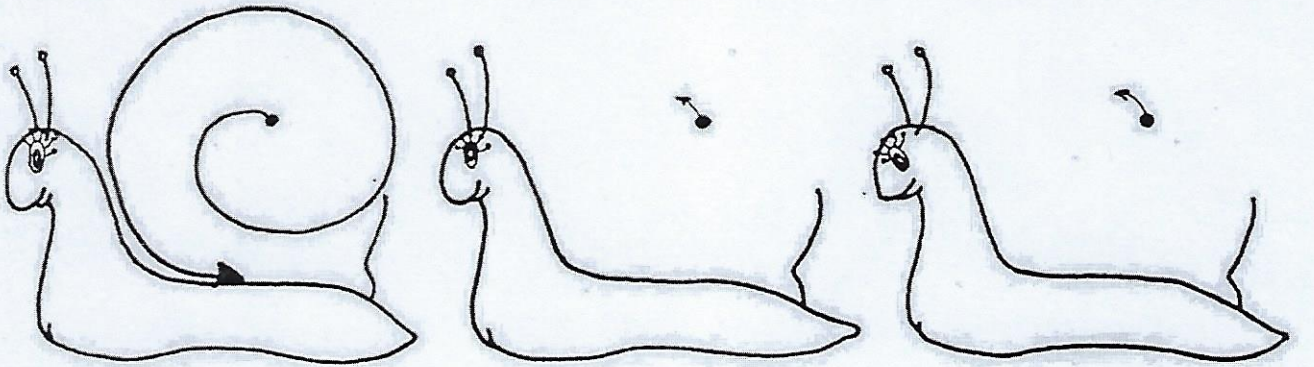

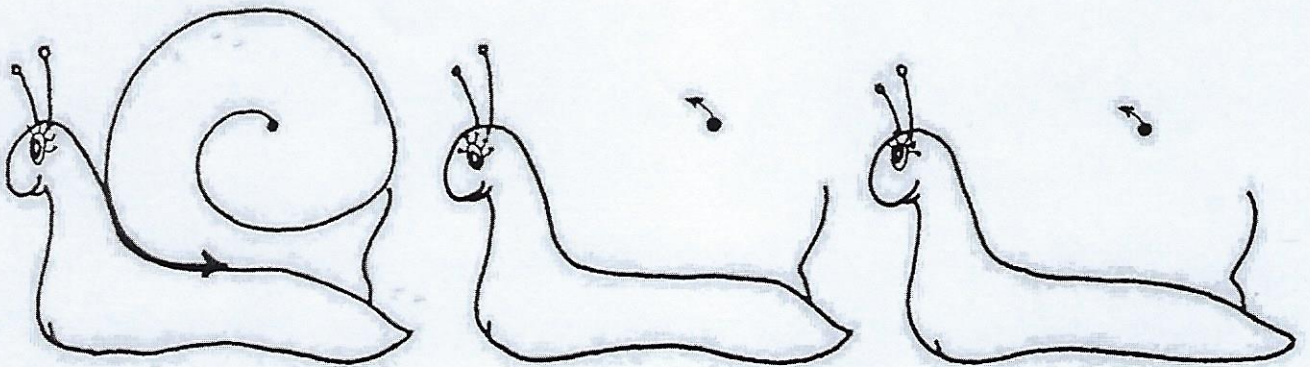

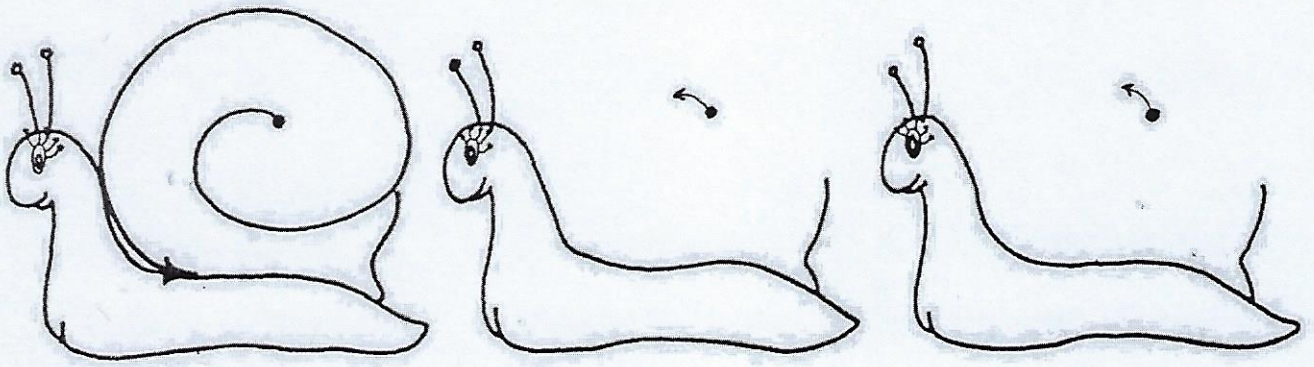

$$13 - 4 = \square$$

$$5 - 3 = \square$$

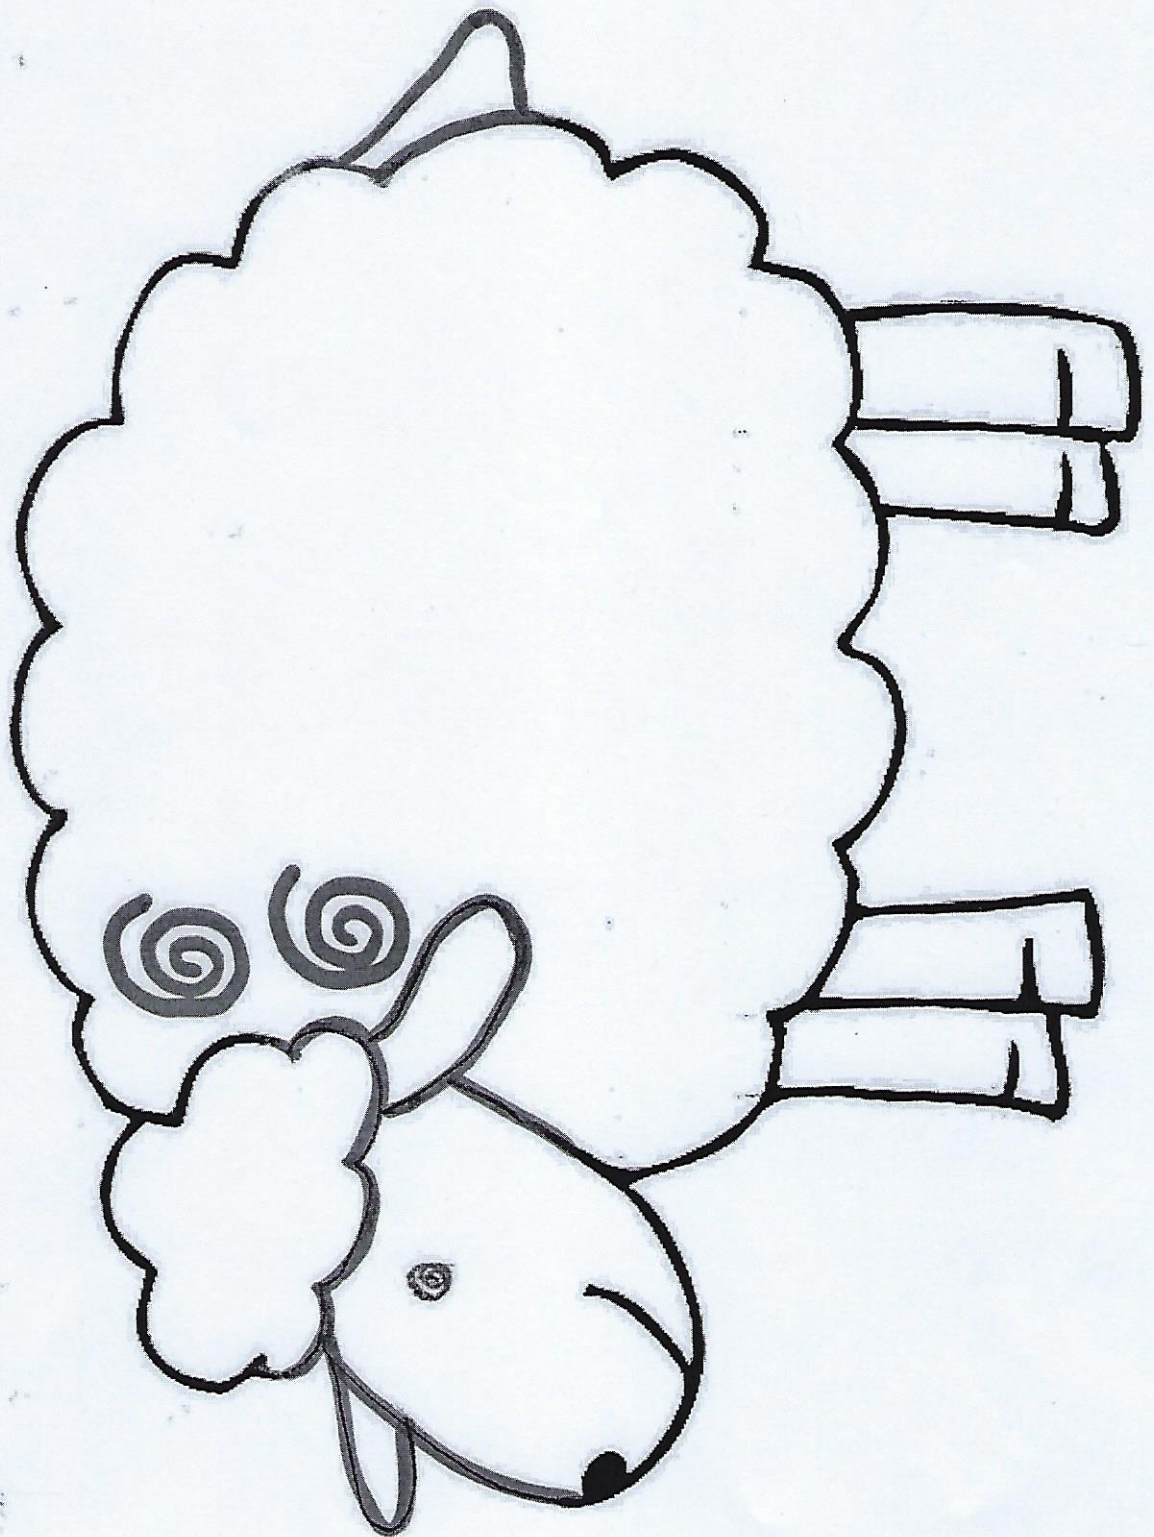

Dokresli ulitu

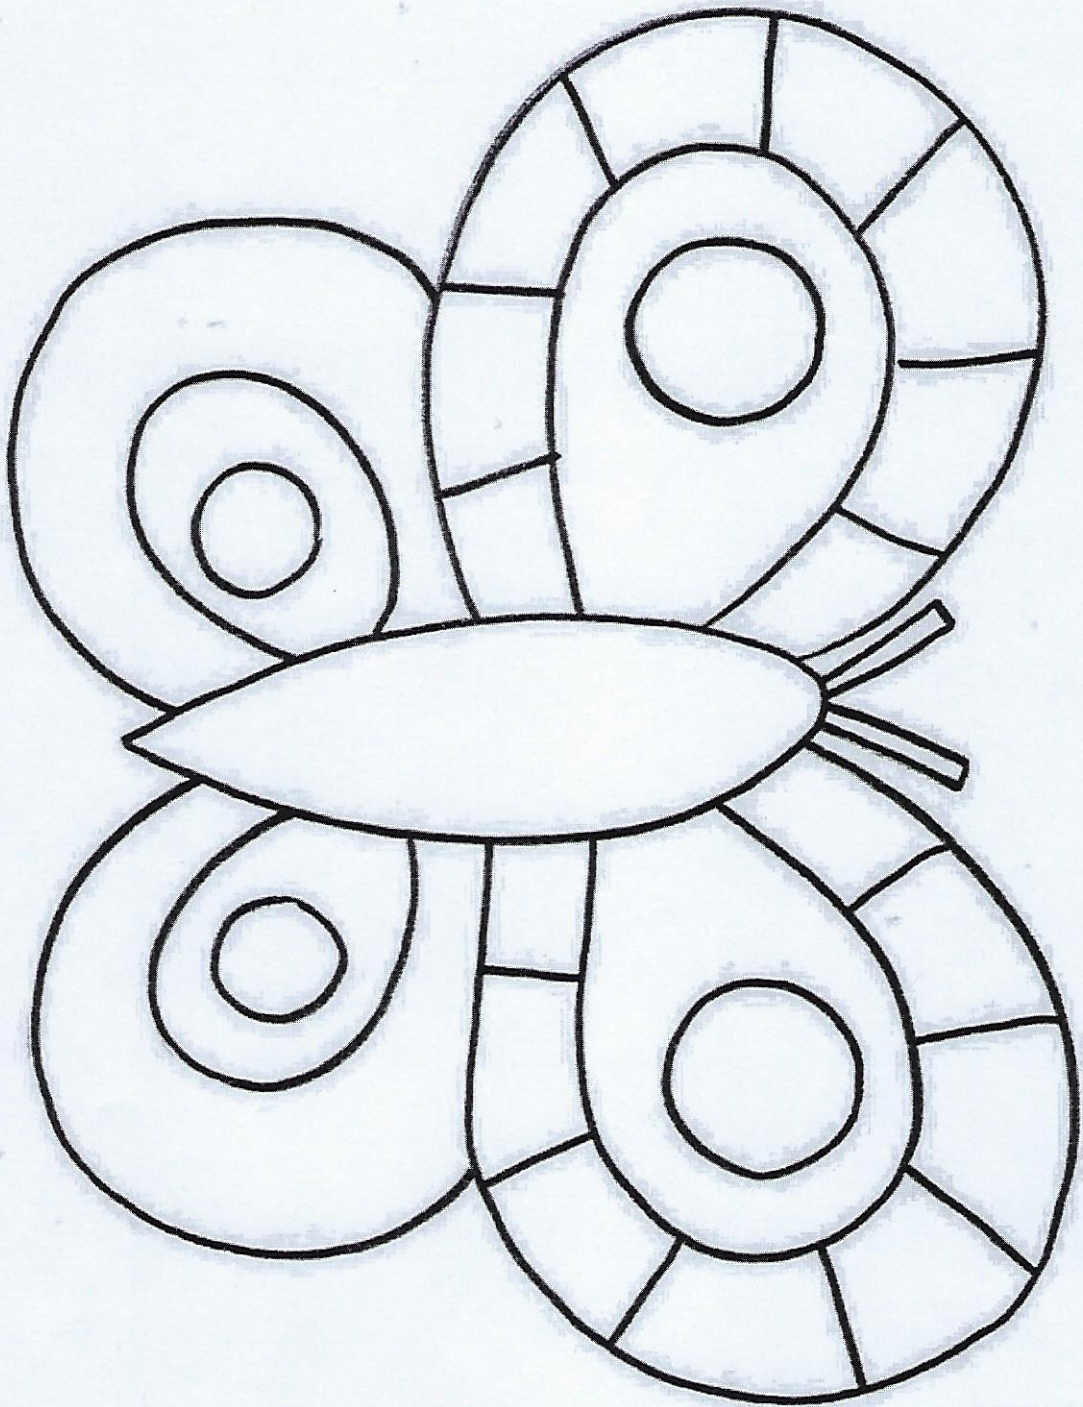

Dokresli vlnu ovečce

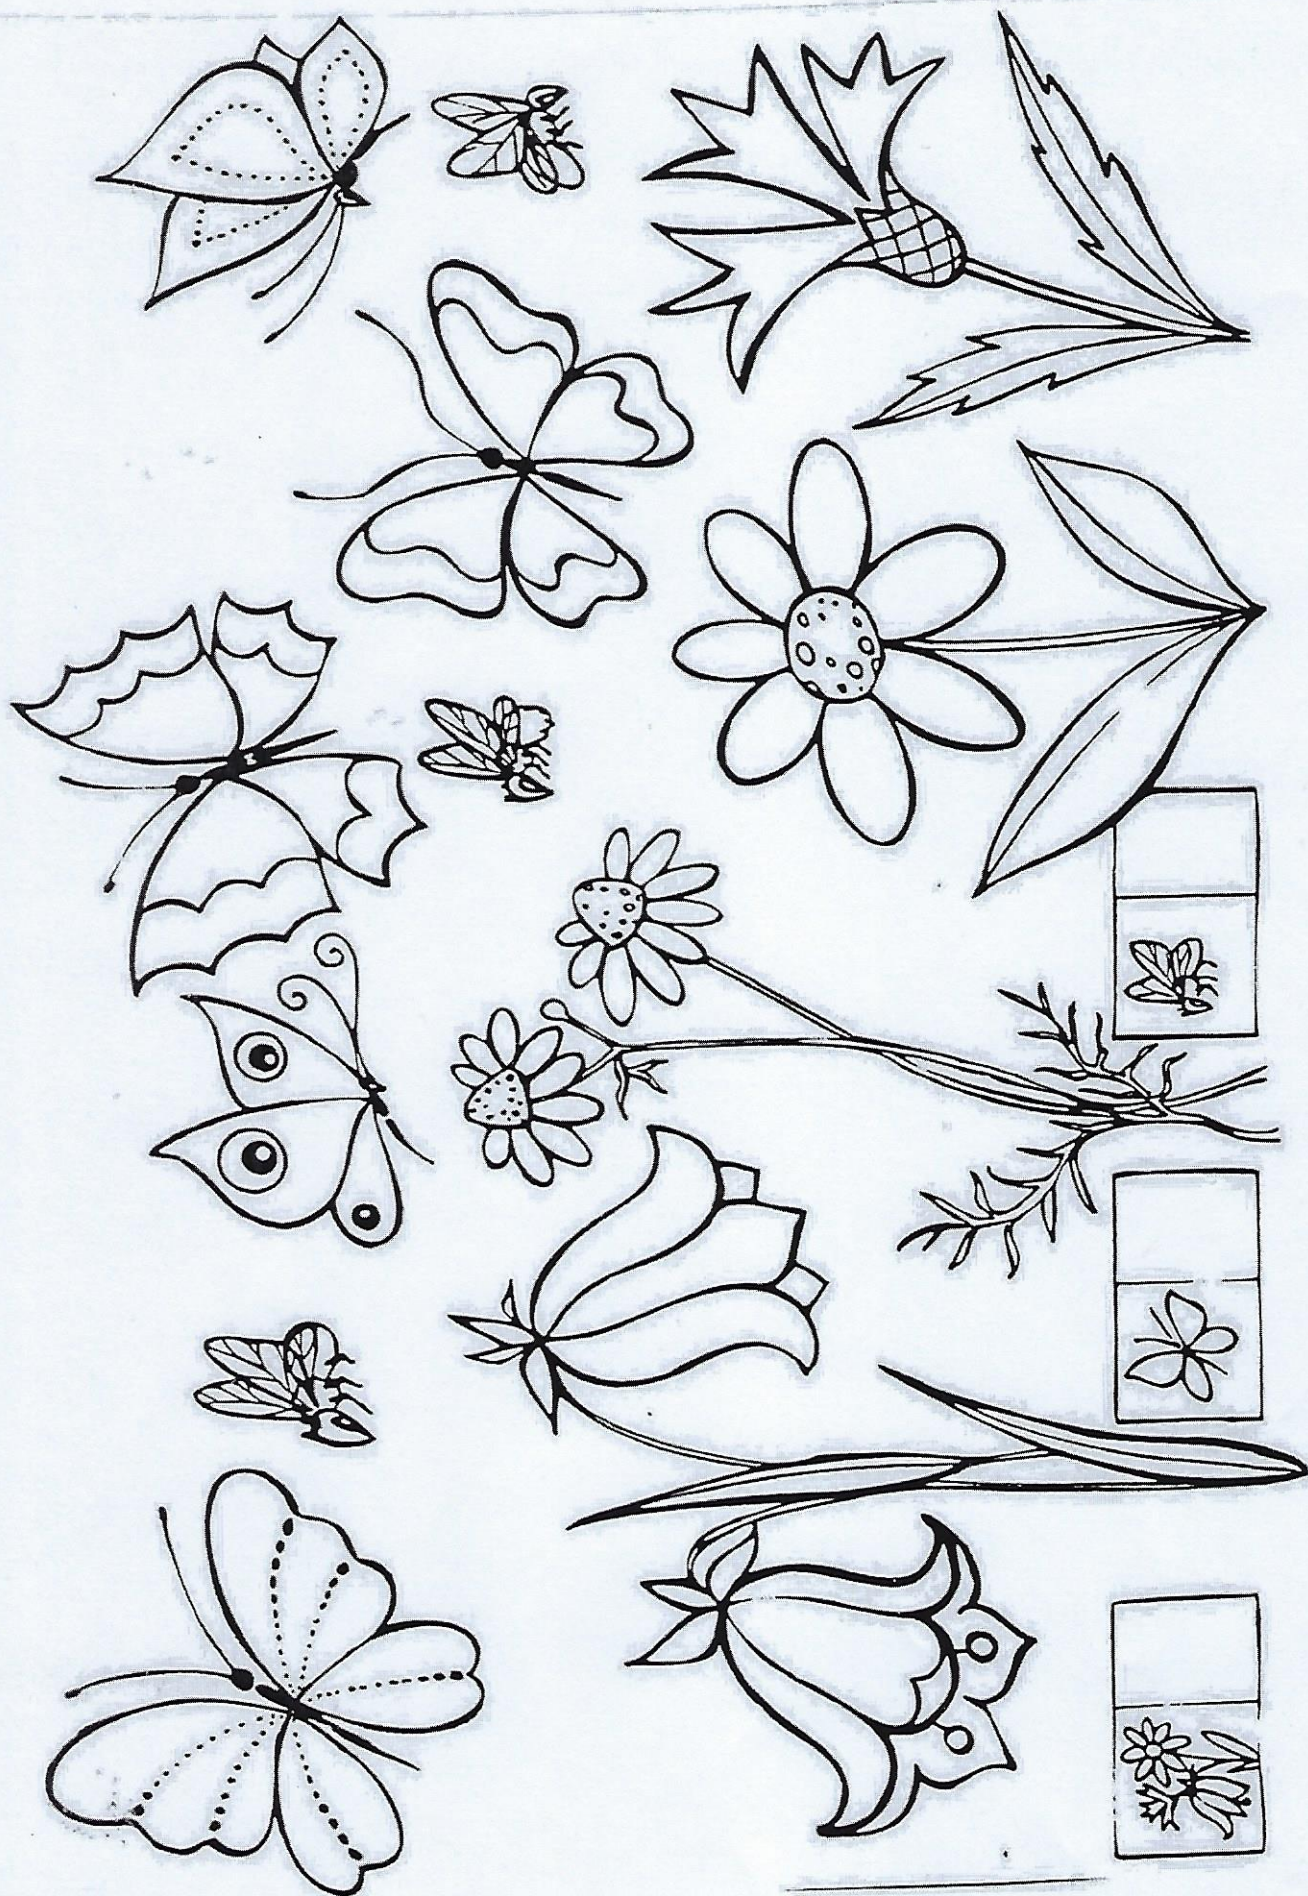

Ozdob motýlka

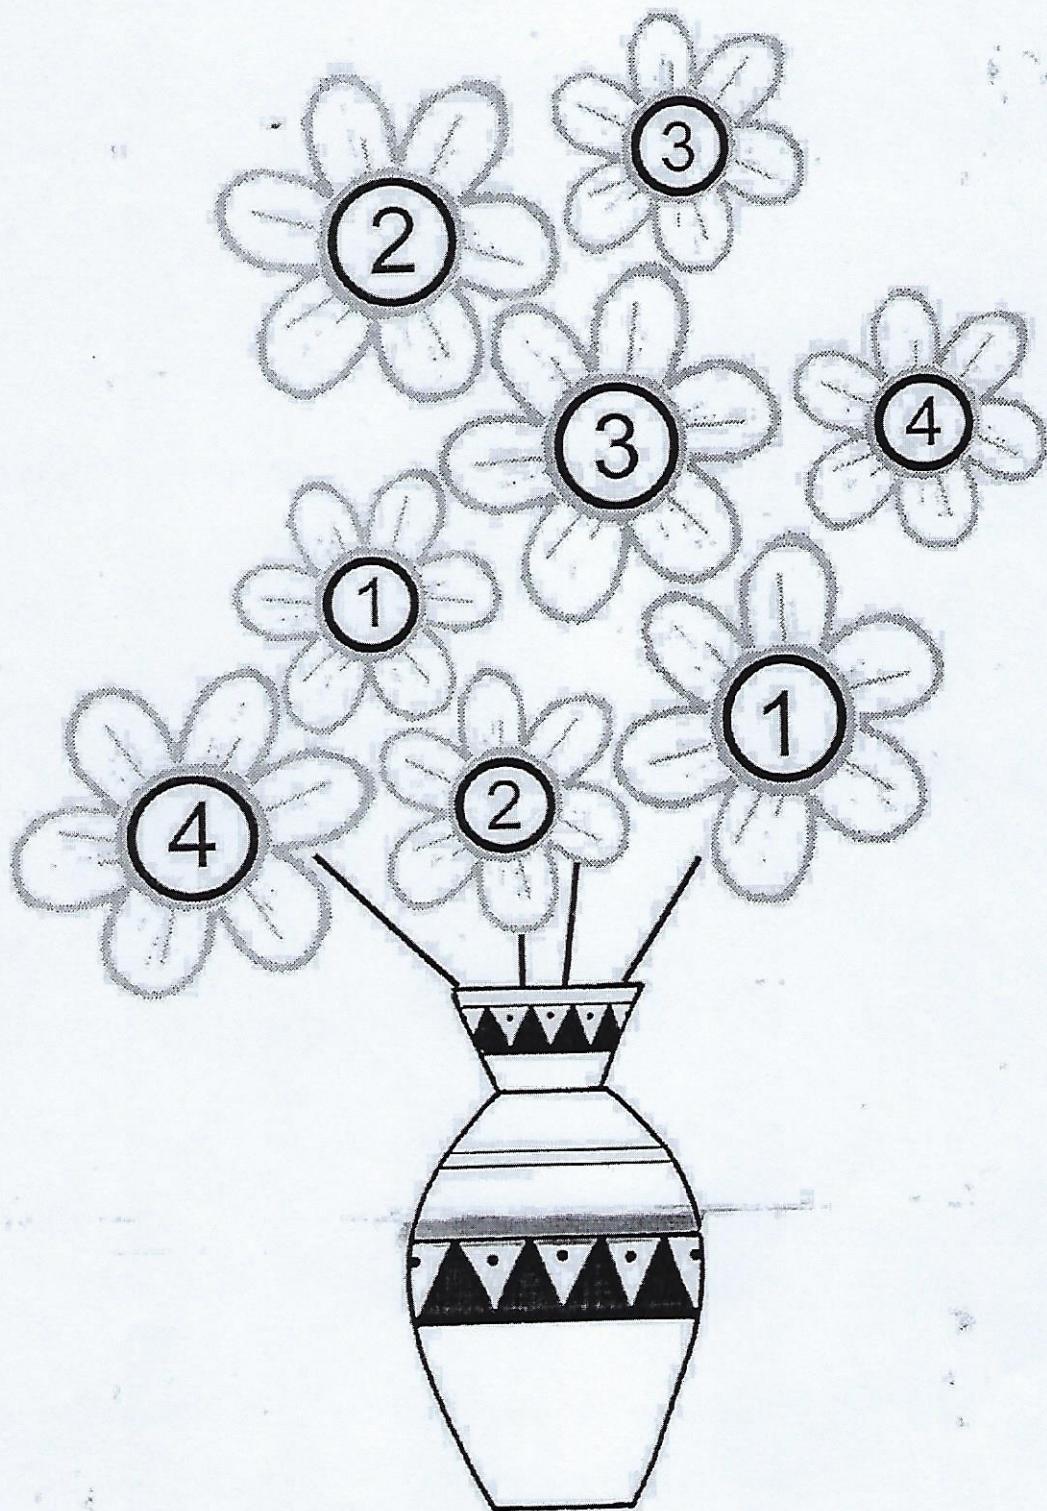

Spočítej a zapiš

Vybarvi kytičky tolik lístků, kolik je číslo.

Vybarvi bubliny ve kterých je písmeno R

# Rr
